About

I am a Graphic Designer who brings a keen eye and passion to all of my work. I specialize in layout and advertising design, but am proficient in many forms of graphic media.

Technical Skills

- Illustrator
- Photoshop
- InDesign
- Figma
- Monday.com
- After Effects
- WordPress
- MS Office
- HTML
- CSS

Work Experience

ProSites Inc. (2024–2026)

- Designed visual marketing assets across four industry verticals, including legal, veterinary, dental, and accounting.
- Created a wide range of digital and print materials, including social media graphics, landing page designs, downloadable kits, infographics, product sheets, and tradeshow collateral.
- Collaborated closely with designers, growth managers, and cross-functional teams to support a streamlined, high-volume creative workflow.
- Delivered 200+ design projects in 2025, meeting tight deadlines while maintaining brand consistency and design quality.
- Integrated AI-powered tools into workflow to enhance creative processes, and improve efficiency.

Freelance Experience
